

e-Resources @NIC Library and MCIT Library Consortium

(MCIT Library Consortium - Leveraging eResources for Knowledge, Research and Digital India programme)

NIC Library subscribes to many eBooks, eJournals and Digital libraries for access by NIC Officers across all NIC centres. NIC is also an active member of MCIT Library Consortium for accessing and resource sharing among member participants. MCIT Library Consortium towards the convergence initiative of three Organisations(MeitY, DOT and DOP) has been formed in 2004-05 and provides easy access to full text Digital Library to all member organizations throughout India. To make e-Government and Digital India, Smart City and Make-in-India programmes sustainable and vibrant, these resources contribute significantly for Scientist, Policy Makers, Researchers, Scholars, Students of participating organizations of MCIT Library Consortium.

A. What are eResources and How-To Access

MCIT Library Consortium has been subscribing to world class Journals/Databases/e-Books/Standards and made available to all the Departments/Societies/Institutions of MeitY and CDOT across the nation. IEEE/IET Electronic Library(IEL), ACM Digital Library, ISO/IEC Standards and Skillsoft eBooks are available through Consortium. NIC Library has access to following eResources available from anytime anywhere on 24x7.

- Free Internet Resources
 - Google Scholar <http://scholar.google.com> , Directory of Open Access Journals <http://doaj.org>

E. Usage Policy

Electronic Resources namely e-Books, e-Journals, e-Databases are made available to authorized and authenticated users and employees of Consortium Member organizations for their research and academic purpose. These resources can be searched, browsed and articles may be downloaded and printed as single copies of articles as is done in case of printed library materials. Downloading or printing of a complete book or an entire issue or volume of one or more journals called systematic downloading is strictly prohibited. In such case your IP Address or UID will be stopped access to the resource by the publisher. Use of robots or any intelligent agents to access, search and /or systematically download from these resources is also prohibited.
