Express Computer – Jan. 04 , 2019

Last year, when floods hit Kerala, it led to heavy damages and loss of lives. For many students, it also led to loss of their precious documents. In this environment of despair, there was a welcome announcement. As a special gesture to students from CBSE affiliated schools, whose board exam academic documents such as marksheets, migration certificates, pass certificates were lost or damaged in the Kerala floods, the Central Board of Secondary Education (CBSE) decided to facilitate and provide digital mark sheets, migration certificates and pass certificates, made possible due to the integration with DigiLocker.
