O2. [Inside India's fake research paper shops: pay, publish, profit](#)

Indian Express. July 19, 2018

Despite UGC blacklist, hundreds of 'predatory journals' thrive, cast shadow on quality of faculty and research nationwide. In the world of academia, getting published in an international research journal is almost the holy grail, it helps bump up the CV for hiring and helps in the competition for tenure or promotion. It takes rigorous research, an original contribution, exhaustive peer or expert reviews, and dogged persistence.

O3. [One-system for e-Way bills across India: A quick reality check](#)

Economic Times. July 19, 2018

With the launch of GST the flow of goods between states is borderless, the tax incidence is nearly the same irrespective of which state one decided to operate from. And therefore, businesses felt a need to reduce the number of warehouses across India and consider an integrated logistics arrangement.
